

Target Board

Write the number you need to add to make 10 next to these numbers:

7	2	0	9	1
4	3	6	10	5

Write the number you need to add to make 20 next to these numbers:

13	6	19	11	3
15	7	2	10	18

Write the number you need to add to make 100 next to these numbers:

70	20	0	90	10
40	30	60	100	50
15	75	35	95	5
17	24	81	63	96
48	76	14	6	18

Extension:

Now have a go at writing as many pairs of numbers that make 1000 as you can in 5 minutes. Set yourself a timer and see how many you can come up with. Write them in the space below.
