

Please use the questions as a guide. The children do not need to have the questions printed out and can complete them directly in their homework books.

The questions each week will act as revision of the skills and methods the children have already worked on at school.

- 1 Fred and Ron are answering the calculation below. They give their answer in the simplest form.

Fred

The answer is $\frac{1}{4}$.

No, the answer is $\frac{3}{4}$.

Ron

$$\frac{1}{4} + \frac{3}{6} = \boxed{?}$$

Who is correct?

- 2 Match the calculations to their correct answers. Answers are shown in their simplest form.
