

Please use the questions as a guide. The children do not need to have the questions printed out and can complete them directly in their homework books.

The questions each week will act as revision of the skills and methods the children have already worked on at school.

Match the objects to the correct number.

a.

b.

c.

d.

12

6

15

20

5. Ben has spill paint on his number track.

What is the hidden number?

6. True or false? Pip has shown twelve on her ten frame.

Is she correct? Prove it.

Challenge: Can you write all the numbers in order from 0-20? Can you now try from 20-0?
