

Please use the questions as a guide. The children do not need to have the questions printed out and can complete them directly in their homework books.

The questions each week will act as revision of the skills and methods the children have already worked on at school.

Match the ten frames with the correct subtraction.

$14 - 5 = 9$

$15 - 9 = 6$

$17 - 8 = 9$

Use  $<$ ,  $>$  or  $=$  to compare.

| Base 10 | Number | How many tens? |
|---------|--------|----------------|
|         |        |                |

There are 11 balls. 6 are tennis balls.  
The rest are basketballs.

There are 14 sweets. 8 are blue.  
The rest are orange.

$15 - 2 = \underline{\quad}$

$18 - 4 = \underline{\quad}$

$13 - 3 = \underline{\quad}$

### Challenge

Have a go at creating your own **number line** with a **number sentence** for Miss Begum to have a go at solving.
