

Year 3 Maths Homework

4. Find a path through the maze by counting forwards and backwards in hundreds between 100 and 1000.

900	400	300	100	600	1,000	400	300	200	100	→ Finish
500	200	700	400	900	700	500	600	700	800	
Start →	100	1,000	400	800	500	100	300	200	900	300
	800	500	600	100	200	600	200	100	1,000	400
	200	600	900	700	300	1,000	700	800	900	600

VF HW/Ed

5. Match the numerals and the images.

500

300

800

A.

B.

H	T	O
5	0	0

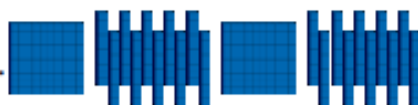

C.

VF HW/Ed

6. Shaïda thinks that A, B and C all represent 400. Do you agree? Explain your answer.

A.

B.

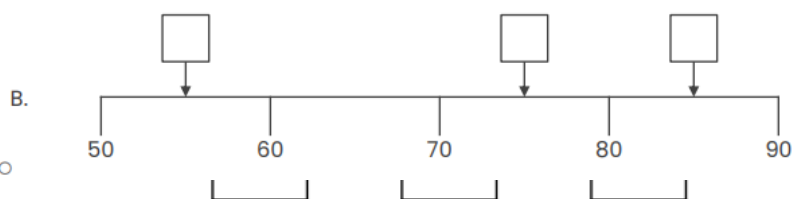

H	T	O
4	0	0

C.

RF'S HW/Ed

3a. Estimate the numbers the arrows are pointing to.

Here's a link to a game we've played in class. It consolidates placing numbers on number lines!
